DESIGNED&MADE

ASSOCIATE MEMBERSHIP £15 p.a.

Designed&Made is committed to the nurturing and inclusion of new and innovative talent.

Associate Membership offers a reduced subscription to encourage those newly set up in business to become part of this professional organisation. This category of membership is open also to individuals and companies who support the aims of *Designed&Made* and wish to be included in information and networking opportunities.

Designer-makers applying for Associate Membership must submit a CV, artist's statement and images of recent work. Membership is open. However we anticipate that applicants will be fully committed to the pursuit of excellence in designer-making and to the wider aims of *Designed&Made*.

Associate Members are **not** eligible for inclusion in *Designed&Made* showcases and special projects although, from time to time, external curators appointed by *Designed&Made* may wish to include in their exhibitions work by Associate Members.

Associated professionals, Education Establishments and other Creative Businesses are also warmly welcomed into this category.
